### GE15 General English (15 hours per week)

The General English course is structured to provide systematic practice and improvement in the core language skills of speaking, listening, reading and writing. It is open to students from beginner to advanced level and focuses on a communicative approach to learning. The classes are fluency based, improving the communication skills of each student.

### GE20 General English Plus (20 hours per week)

This course puts an additional focus on conversational English or English for specific purposes. It includes all elements of the General English course plus an additional one hour elective.

### GE30 General English Intensive (30 hours per week)

This more intensive course builds on the content of morning classes and works to develop communication skills at an accelerated rate and to improve competence in using English in everyday situations. Our excellent teachers, modern teaching methods and use of supplementary materials ensures the student maximizes the benefits of their time with us.

### EX15 Examination Preparation

IELTS and Cambridge exams are the most common exams taken by our students, and carefully structured courses are tailored to ensure detailed preparation for these exams.
